WHEREAS the Council of the Corporation of the Town of Milton is empowered by Section 15.1(3) of the Building Code Act, S.O. 1992, c.23 to pass a by-law for, *Inter Alia*, prescribing standards for the maintenance and occupancy of property within the municipality, for prohibiting the use of property that does not conform to the standards, and for requiring property that does not conform to the standards to be repaired and maintained to conform to the standards or for the site to be cleared of all *buildings*, structures, *debris* or refuse and left in a graded and levelled condition;

AND WHEREAS the Official Plan for the Corporation of the Town of Milton includes provisions relating to property conditions;

AND WHEREAS the Council of the Corporation of the Town of Milton is desirous of passing a by-law under Section 15.1(3) of the Building Code Act, S.O. 1992, c.23;

AND WHEREAS Section 15.6(1) of the Building Code Act, S.O. 1992, c.23 requires that a by-law passed under Section 15.1(3) of the Building Code Act, S.O. 1992, c.23 shall provide for the establishment of a Property Standards Committee;

NOW THEREFORE THE COUNCIL OF THE CORPORATION OF THE TOWN OF MILTON HEREBY ENACTS THE FOLLOWING:

1 SHORT TITLE

- 1.1 This By-law may be cited as the "Property Standards By-law".

2 SCOPE AND INTERPRETATION

- 2.1 This By-law prescribes the maintenance and occupancy *standards* for the purpose of section 15.1(3) of the *Ontario Building Code Act*, S.O. 1992, c.23.
- 2.2 Where the provisions of this By-law conflict with the provision of any other By-law in force in the *Town* the provision that establishes the higher standard to protect the health, safety and welfare of the general public shall prevail.
- 2.3 Where the provisions of this By-law conflict with the *Ontario Building Code* or any other Act, the provisions of the provincial standard shall prevail.

- 2.4 In the interpretation and application of the provisions of this By-law, unless otherwise stated to the contrary, the provisions shall be held to be the minimum requirements for the promotion of the public health, safety, comfort, convenience and general welfare.

3 GENERAL STANDARDS FOR ALL PROPERTIES

- 3.1 All repairs and maintenance as required by this By-law shall be carried out with suitable and sufficient materials and in a manner accepted as good workmanship within the trades concerned and with suitable material and sufficient for the purpose. All new construction or repairs shall conform to the *Ontario Building Code* or other such Codes or requirements where applicable.
- 3.2 Without restricting the generality of the foregoing, "good workmanship" includes the following:
- (a) ensuring that the component repaired can perform its intended function;
 - (b) finishing the repair in a manner reasonably compatible in design and colour and material with adjoining finishing materials;

6 GENERAL STANDARDS FOR ALL DESIGNATED HERITAGE PROPERTIES

6.1 In addition to the *standards*, obligations and requirements that apply to all properties under this By-law, the *Owner* or *Occupant* of a *Part IV* or a *Part V Heritage Property* shall:

- (a) maintain, preserve and protect *heritage attributes* to prevent deterioration;
- (b) repair damage to *heritage attributes*.

6.2 Subject to any applicable provisions of the Ontario Heritage Act:

- (a) where section 6.1 can be complied with by means of repair, notwithstanding any other provision to the contrary, the heritage attribute shall not be replaced, and the repair shall be undertaken in a manner that minimizes damage to the heritage attribute;
- (b) where section 6.1 cannot be complied with by means of repair, notwithstanding any other provision to the contrary, and where sufficient physical evidence exists of the nature of the heritage attribute, the heritage attribute shall be replaced with materials that match original materials as closely as possible and that are in keeping with the design, colour, texture and distinctive features of the original material, or in such a manner as to replicate the design, colour, texture and distinctive features of the original material. Where there is insufficient physical evidence of the nature of the heritage attribute, the form, material and detailing of the new element shall be compatible with the heritage character of the heritage attribute.

6.3 In addition to the *standards*, obligations and requirements that apply to all properties under this By-law, a part of a *Part IV* or a *Part V Heritage Property*, including but not limited to a roof, wall, floor, retaining wall or foundation, that supports or protects a heritage attribute and without which the heritage attribute may be at risk of deteriorating or being damaged, shall be structurally *sound* and maintained in good repair.

(a) Section 6.3 shall be complied with in a manner that minimizes damage to the heritage attribute.

7 VACANT AND/OR DAMAGED DESIGNATED HERITAGE PROPERTIES

7.1 Where a *building* on a *Part IV* or a *Part V Heritage Property* remains vacant or unoccupied for a period of ninety (90) days or more, the *Owner* shall ensure that appropriate utilities serving the *building* are connected as required to provide, maintain and monitor proper heating and ventilation to prevent damage caused to the *building* by fluctuating temperatures and humidity.

7.2 Where a *building* on a *Part IV* or a *Part V Heritage Property* is vacant or damaged by accident, storm, neglect, intentional damage, or other causes, the *Owner* shall protect the *building* against the risks of accident, intentional damage, fire, storm, neglect or other causes and shall effectively prevent the entrance of the elements, unauthorized *persons*, or the infestation of *pests* by closing and securing openings to the *building* with boarding:

- (a) which completely covers the opening and is properly fitted in a watertight manner within the side jambs, the head jamb and the exterior bottom sill of the door or window opening so the exterior trim and cladding remains uncovered and undamaged by the boarding;
- (b) on window openings, which is painted matte black to resemble window glass;
- (c) on door openings, which is painted a colour that matches the colour of the original door;
- (d) on an opening other than a window or door opening, which is painted or otherwise treated so that the colour matches the colour of the surrounding exterior of the *building*; and
- (e) which is fastened securely with screws at least 50mm in length and installed at appropriate intervals on centre.

7.3 Subject to any applicable provisions of the Ontario Heritage Act, where the minimum standard imposed by section 7.2 has, more than once, failed to exclude unauthorized entry, and further where the *owner's* control, attendance or lack of security measures to protect the *Part IV* or a *Part V Heritage Property* suggests that a more secure option be used, then the *owner* shall supply such measures, including such improved security of closures, as may be required by an Officer.

- 7.4 No window, door or other opening shall be closed or secured in accordance with section 7.3 with brick, concrete blocking or any other masonry units and mortar, except where required by an Officer under section 7.3

8 STRUCTURAL STANDARDS

- 8.1 The structural elements shall be maintained in good repair and in a structurally *sound* condition so as:
- (a) to be capable of sustaining safely their own weight and any load or force to which it may normally be subjected;
 - (b) to be capable of safely accommodating all normal structural movements without damage, decay or deterioration;
 - (c) to prevent the entry of moisture that would contribute to damage, fungus, mold, growth, decay or deterioration;
 - (d) to be capable of safely and adequately perform its function subject to all reasonable service ability requirements.
- 8.2 If in the opinion of the Officer there is doubt as to the structural adequacy or condition of a *building* or structure or parts thereof, the Officer may order that such *building* or structure or parts thereof be examined and a written report be prepared by a professional engineer, licensed to practice in Ontario, and employed by the *Owner* or authorized agent. The written report, including drawings where required, signed and stamped by the engineer and giving details of the findings and proposed repair methods, if required, shall be submitted to the Officer for evaluation and review.
- 8.3 If in the opinion of the Officer, material forming part of the *building* or structure shows damage, decay or deterioration which however does not warrant examination by a professional engineer, the Officer may order that these materials be repaired or replaced in a workmanlike manner acceptable to the Officer.
- 8.4 Every foundation wall, *basement*, *cellar* or *crawl space* floor slab, slab on grade, exterior wall and roof shall be structurally *sound* and shall be maintained so as to reasonably protect against deterioration.

9 ACCESSORY BUILDINGS

- 9.1 The roof of every *accessory building* which has been partially or entirely damaged, collapsed or removed shall be repaired or replaced in accordance with the *Ontario Building Code*.
- 9.2 Partially constructed *accessory buildings* designed and intended to have a roof shall not be left without a roof.
- 9.3 *Accessory buildings* and other structures appurtenant to a property shall be:

- (a) maintained in good repair;
- (b) maintained in a structurally *sound* condition;
- (c) maintained to prevent an *unsafe condition*;

9.4 *Accessory buildings*, other than farm out-buildings, fences and other structures shall be protected from deterioration by the application of appropriate weather resistant materials including paint or other suitable preservative and shall be of uniform colour unless the aesthetic characteristics of said structure are enhanced by the lack of such material.

10 EXTERIOR WALLS AND ROOFS

- 10.1 The roof of every *building* which has been partially or entirely damaged, collapsed or removed shall be repaired or replaced in accordance with the *Ontario Building Code*.
- 10.2 Partially constructed *buildings* designed and intended to have a roof shall not be left without a roof.
- 10.3 All roofs shall be maintained:
- (a) in a water tight condition so as to prevent the leakage of water into the *building* or structure;
 - (b) so as to shed/drain water effectively;
 - (c) free from loose or unsecured shingles, objects or materials;
 - (d) free from dangerous accumulation of snow or ice or both;
 - (e) free from all other accident, fire or health hazards;
 - (f) so that roof decks and related guards are in good state of repair and;
 - (g) free from conditions causing or contributing to leaks or being detrimental to the appearance of the *building*.
- 10.4 Any cornice, flashing, fascia, soffit, coping, gutter, rainwater leader, vents or other roof structure shall be maintained to properly perform their intended function and prevent leakage of water into the *building*.
- 10.5 The exterior walls and their components shall be maintained so as to prevent their deterioration due to weather, insects or rodents and shall be so maintained by restoring or repairing of the walls, coping or flashing, by the waterproofing of joints and of the walls themselves.
- 10.6 Exterior walls, roofs and other parts of a *building* shall be free from loose and unsecured objects and material, which may create an *unsafe condition*. Such objects or materials shall be removed, repaired or replaced.
- 10.7 Openings and holes in any *building*, including chimneys, windows, doors, vents, holes for pipes and electrical fixtures, cracks and floor drains that might permit the entry of rodents, *vermin*, insects, birds or other *pests* shall be screened or sealed as appropriate.

- 10.8 All exterior exposed surfaces not inherently resistant to deterioration shall be treated with a protective coating of paint or otherwise repaired, coated, sealed or treated to prevent deterioration.
- 10.9 All aerials, satellite dishes, lightning arrestors and other similar structures and their supporting members shall be maintained loose or broken components, in a safe condition and in good repair.

11 CHIMNEYS

- 11.1 Every chimney, smoke pipe, vent, flue or similar apparatus serving a heating device or system shall be:
- (a) installed and maintained so as to prevent the escape of smoke or gases within the *building*;
 - (b) clear of obstructions;
 - (c) free from open joints;
 - (d) free from broken and loose masonry;
 - (e) in a good state of repair, securely anchored and plumb

12 INTERIOR STRUCTURES & FLOORS

- 12.1 Every structural component in every *building*, including but not limited to all joists, beams, studding and roof rafters, shall be of *sound* material and adequate for the load to which they are subjected.
- 12.2 Every *cellar* and *basement* shall have a floor of concrete or other material acceptable under the provisions of the *Ontario Building Code*, to ensure water drainage and to guard against the entry of *vermin*.
- 12.3 Every floor shall be smooth, level and free of holes and maintained so as to be free of all loose, warped, protruding, broken or rotted boards or coverings that may create an *unsafe condition* or surface or allow the entrance of rodents and other *vermin* or insects. Such defective floors shall be repaired or replaced.
- 12.4 Where floors have been covered with sheet or vinyl floor coverings, or other flooring that has become worn or torn so that it retains dirt or may create an *unsafe condition*, the sheet or other flooring shall be repaired or replaced.
- 12.5 The rooms in which plumbing fixtures are installed shall be maintained reasonably impervious to water and in such a condition as to permit easy cleaning and shall have a floor covering of water-resistant material.
- 12.6 Every wall and ceiling shall be maintained in a condition free from holes, open cracks, loose covering or other substantial defects. Walls surrounding showers and bathtubs shall be impervious to water.

- 12.7 Where fire resistant walls, doors and/or floors exist between separate *dwelling units*, they shall be maintained in a condition, which maintains their fire-resistant quality.

13 DOORS & WINDOWS

- 13.1 Every existing opening in the exterior surface of a *building* designed for a door, window or skylight shall be equipped with a door, window or skylight capable of performing the intended function.

- (a) watertight and free from leaks,
- (b) in good working order, and free from any obstructions,
- (c) in a stable condition and shall be securely fastened to the structure, and
- (d) free from *unsafe conditions*.

23 FENCES, BARRIERS, RETAINING WALLS & SIGNS

23.1 All fences, guards, *retaining walls*, and structures appurtenant to a property shall be kept in good repair, straight and plumb, free from hazards, and where required, protected by paint, preservative or other weather resistant material unless the characteristics of the fence, *retaining wall*, guard, screen or enclosure are designed to be enhanced by the lack of such material.

23.2 All fences, *retaining walls* and other structures shall be constructed in such a manner as to prevent all cartons, wrappers, paper, rubbish and *debris* from blowing onto adjoining property.

24 VACANT BUILDINGS

24.1 Where any *building* is vacant or unoccupied, the *owner* shall protect such *building* against the risk of accidental or intentional damage to the property, or such damage as may be caused to other properties, arising from the entry of unauthorized *persons* to the *building*, by effectively preventing entrance by unauthorized *persons*.

24.2 For the purpose of Section 24.1, doors, windows, hatches and other openings through which entry may be obtained are required to be kept in good repair and secured from unauthorized entry, or entry shall be prevented by closing and securing each opening with:

- (a) boarding which completely covers the opening with at least 12.7mm weatherproofed sheet plywood securely fastened to the *building*;
- (b) rigid composite panels securely fastened to the *building*;
- (c) sheathing boards installed within the reveal of the exterior cladding and securely fastened to the *building*;
- (d) brick and mortar securely fastened to the *building*; or

- (e) concrete blocking and mortar securely fastened to the *building*.
- 24.3 The materials identified under this paragraph shall be of a colour compatible to the surrounding facade.
- 24.4 The options available in Section 24.2 shall be considered progressively more secure with subsection 24.2 (e) being the most secure, and the minimum *standard* imposed by 24.2 shall be considered not to include the use of a less secure option which has, more than once, failed to exclude unauthorized entry, and further, where the *owner(s)* control, attendance or lack of security measure(s) to protect the property suggest a more secure option be used, then the *owner* shall supply such measure including such improved security of closures as may be necessary beyond the options listed in section 24.2.
- 24.5 Vacant *buildings* shall be kept clear of all garbage, rubbish and *debris*.
- 24.6 Where a *building* remains vacant for a period of more than ninety (90) days, the *owner* shall ensure that all utilities serving the *building*, which are not required for the safety or security thereof, are properly disconnected or otherwise secured, to prevent accidental or malicious damage to the *building* or adjacent property.

25 DAMAGED BUILDINGS

- 25.1 Where a *building* is damaged by accident, storm, fire, neglect or other causes or intentional damage, the *owner* shall *demolish* or repair the *building* within 30 days or a reasonable time arranged with *Town*.
- 25.2 Where a *building* is damaged by accident, storm, fire, neglect or other causes or intentional damage, immediate steps shall be taken to prevent or remove a condition which might endanger *persons* on or near the property and the *building* or structure shall be properly supported and barricaded until the necessary demolition or repair can be carried out.
- 25.3 Where a *building* is damaged by accident, storm, fire, neglect or other causes or intentional damage, the *owner* shall protect the *building* against further risk or further damage, accident or other danger, and shall effectively prevent entrance thereto by all unauthorized *persons* by closing and securing each opening to the *building* with:
- (a) boarding which completely covers the opening with at least 12.7mm weatherproofed sheet plywood securely fastened to the *building*;
 - (b) rigid composite panels, securely fastened to the *building*;
 - (c) sheathing boards installed within the reveal of the exterior cladding and securely fastened to the *building*;
 - (d) brick and mortar securely fastened to the *building*; or
 - (e) concrete blocking and mortar securely fastened to the *building*; and

- 25.4 The materials identified under this paragraph shall be of a colour compatible to the surrounding facade.
- 25.5 The options available in Section 25.3 shall be considered progressively more secure with subsection 25.3(e) being the most secure, and the minimum *standard* imposed by section 25.3 shall be considered not to include the use of a less secure option which has more than once failed to exclude unauthorized entry, and further, where the *owner(s)* control, attendance or lack of security measure(s) to protect the property suggest a more secure option be used, then the *owner* shall supply such measure including such improved security of closures as may be necessary beyond the options listed in section 25.3.
- 25.6 The exterior walls and other surfaces of the *building* shall have smoke damage or other defacement removed and the surfaces refinished.
- 25.7 In the event the *building* or structure is beyond repair, the land shall be cleared of *debris* and remains and shall be left in a graded, level and safe condition without unreasonable delay.
- 25.8 Exterior walls, roofs and other parts of a *building* shall be free objects and materials, which may create an *unsafe condition*. Such objects or materials shall be removed, repaired or replaced so as to create a safe condition.
- 25.9 Any such work required under this section and section 26 shall be done in compliance with the *Ontario Building Code*, other applicable codes and by-laws, including but not limiting the generality of the foregoing, in compliance with the requirement for obtaining *building* or demolitions permits, and with the by-laws applicable to clearing of property.

26 FIRE DAMAGED BUILDINGS

- 26.1 Fire damaged *buildings* shall be kept clear of all garbage, refuse and *debris* and shall have all water, electrical and gas services turned off except for those services that are required for the security and maintenance of the property.
- 26.2 The *owner* of the fire-damaged *building* shall restore the *building* or meet the requirements of sections 8, 9, 10, 11, 13 and 14 of this by-law.
- 26.3 When the fire damaged *building* or part is occupied again for other than the purpose of repair, the condition of the *building* and property shall be brought into compliance with all applicable sections of this by-law prior to occupancy.

27 ADDITIONAL STANDARDS FOR RESIDENTIAL PROPERTIES

- 27.1 In addition to the *standards*, obligations and requirements of this by-law set out above, section 28 through 40 shall apply to all residential properties in the municipality.
- 27.2 In addition to the *standards*, obligations and requirements of this by-law set out above, section 28 through 41 shall apply to all multi-residential properties in the municipality.

28 SECURITY

- 28.1 All operant windows shall have hardware so as to be capable of being locked or otherwise secured from the interior of the space.
- 28.2 All exterior doors and the entrance door to a *dwelling unit* shall have hardware so as to be capable of being locked from the outside, and locked or otherwise secured from the interior of the space. At least one entrance door to a *dwelling unit* shall have suitable hardware so as to permit locking or securing from either inside or outside the *dwelling unit*.
- 28.3 Solid core exterior type doors shall be provided for all entrances to *dwelling units* and *dwelling units*.
- 28.4 In residential *buildings* where there is a voice communication unit working in conjunction with a security locking and release system controlling a particular entrance door and installed between individual *dwelling units* and a secured entrance area, the said system shall be maintained in good working order at all times.
- 28.5 Every lock on a *building* that is designed to be unlocked with a key or key and combination shall be maintained in good working order or shall be repaired or replaced.
- 28.6 The *owner* of a *dwelling* or *multiple dwelling*, upon the written request of an *occupant* of the *dwelling units* in which children under the age of ten years are *occupants* shall, subject to Section 28.7, provide and install a protective device on any window that,
- (a) has a moveable sash, and;
 - (b) is more than 200 cm above adjacent finished ground level.
- 28.7 The protective device shall be installed within seven (7) days of the delivery of the written request upon the *building owner*, the *owner's* agent or the building's manager or superintendent, unless that such *person* and the *occupant* giving notice agree that the protective device is not required on every such window that meets the requirements of section 28.6.
- 28.8 The protective device shall be installed and secured in such a manner as to prevent opening of the window(s) to any amount greater than 10 cm.

28.9 No window described in section 28.8 above shall be equipped with a device that makes it incapable of being opened by an adult *tenant* in an emergency without the use of tools.

28.10 The *owner* of a *building* containing ten or more *dwelling units* shall post or display or cause to be posted or displayed and shall maintain or cause to be maintained a legible and clearly printed, framed copy of this Part, conspicuously placed in the *building* so as to be clearly visible to *occupants* of the *building*.

- 45.6 The *Owner* shall provide the *Officer* with a verification report written by the Professional Engineer with a Masters in Occupational Hygiene, the Certified Industrial Hygienist, or the Registered Occupational Hygienist that the work proposed in their report has been completed in accordance with the generally accepted guidelines and protocols in the industry.

46 EXEMPTION

- 46.1 This by-law does not apply to lands on which construction is actively proceeding in accordance with a permit issued pursuant to the Building Code Act.
- 46.2 This by-law does not apply so as to prevent a farm, meeting the definition of "agricultural operation" under the Farming and Food Production Protection Act, 1998, S.O. 1998, c.1, from carrying out a normal farm practice as provided for and defined under that *Act*.

47 ADMINISTRATION & ENFORCEMENT

- 47.1 *Officers* as appointed by Council and set out in Schedule "A" of this By-law are hereby assigned the responsibility of administration and enforcement of this By-law.
- 47.2 An *Officer* may allow the maintenance of property to alternate *standards* of any provision of this By-law.

48 RIGHT TO ENTER & INSPECT

- 48.1 An *Officer* acting under this By-law may, at any reasonable time and upon producing proper identification, enter upon a property without a warrant for the purpose of inspecting the property to determine:
- (a) whether the property conforms with the *standards* prescribed in this By-law, or;
 - (b) whether a property *standards* order has been complied with.
- 48.2 Despite sections 48.1, an *Officer* shall not enter or remain in any room or place actually used as a *dwelling* unless:
- (a) the consent of the *occupant* is obtained, the *occupant* first having been informed that the right of entry may be refused and entry made only under the authority of a warrant issued under the Building Code;
 - (b) a warrant issued under the Building Code is obtained;
 - (c) the delay necessary to obtain the consent of the *occupant* or a warrant would result in immediate danger to the health or safety of any *person*;
 - (d) the entry is necessary to terminate a danger under section 15.7(3) of the Building Code; or
 - (e) the entry is necessary to repair or *demolish* under section 54 and, within a reasonable time before entering the room or place to be repaired or *demolished*, the *Officer* serves the *occupant* with notice of his or her intention to enter it.
- 48.3 For the purposes of an inspection under section 48.1, an *Officer* may;

- (a) require the production for inspection of documents or things, including drawings or specifications, that may be relevant to the property or any part thereof;
 - (b) inspect and remove documents or things relevant to the property or part thereof for the purpose of making copies or extracts;
 - (c) require information from any *person* concerning a matter related to a property or part thereof;
 - (d) be accompanied by a *person* who has special or expert knowledge in relation to a property or part thereof;
 - (e) alone or in conjunction with a *person* possessing special or expert knowledge, make examinations or take tests, samples or photographs necessary for the purposes of the inspection; and
 - (f) order the *owner* of the property to take and supply at the *owner's* expense such tests and samples as are specified in the order.
- 48.4 Any cost incurred by the *Town* in exercising its authority to inspect under paragraph 48.3 including but not limited to the cost of any examination, test, sample or photograph necessary for the purposes of the inspection, shall be paid by the *owner* or *occupant* of the property where the inspection takes place.
- 48.5 An employee or agent of the *Town* may enter property at any reasonable time without a warrant for the purposes of causing the property to be repaired or *demolished* pursuant to section 54.1 in accordance with a final and binding property *standards* order.

49 ORDER TO REMEDY VIOLATION

- 49.1 If, after inspection, an *Officer* is satisfied that in some respect the property does not conform to the *standards* prescribed in this By-law, the *Officer* may;
- (a) issue an order, and
 - (b) such order shall be served on the *owner* of the property, and
 - (c) may be served on such other *persons* affected by it as the *Officer* determines, and
 - (d) a copy of the order may be posted on the property.
- 49.2 The order referred to in section 49.1 shall:
- (a) state the municipal address or the legal description of the property;
 - (b) give reasonable particulars of the repairs to be made or state that the property is to be cleared of all *buildings*, structures or *debris* and left in a graded and leveled condition, provided that no order in respect of a *Part IV heritage property* or a *Part V heritage property* shall state that any *building* or structure is to be altered or cleared, including but not limited to removed, *demolished* or relocated;

- (c) indicate the time for complying with the terms and conditions of the order and give notice that, if the repair or clearance is not carried out within that time, the municipality may carry out the repair or clearance at the *owner's* expense;
- (d) indicate the final date for giving notice of appeal from the order; and
- (e) be served or caused to be served:
 - (i) by personal service; or
 - (ii) by prepaid registered mail sent to the last known address of the *person* to whom notice is to be given or to that *person's* agent for service, and

49.3 For the purposes of paragraph section 49.2(e)(ii), "last known address" of the *owner* includes but is not limited to the address provided to the Town for the payment of property taxes for the property or the address for service on the title document for the property.

50 APPEAL OF ORDER

- 50.1 An *owner* or *occupant* who has been served with an Order made under section 49.1 and who is not satisfied with the terms or conditions of the Order may appeal to the *Committee* by sending a Notice of Appeal by registered mail to the Secretary of the *Committee* within fourteen (14) days after being served the Order;
- 50.2 An Order that is not appealed within the time referred to in this section shall be deemed to be confirmed.
- 50.3 If an appeal is taken, the *Committee* shall hear the appeal and shall have all the powers and functions of the *Officer* who made the Order, and may;
- (a) confirm, modify or rescind the Order to *demolish* or repair;
 - (b) extend the time for complying the Order if, in the *Committee's* opinion, the general intent and purpose of the By-law and of the Official Plan or policy statement are maintained.
- 50.4 Any *owner* or *occupant* or *person* affected by a decision under section 50.3 may appeal to a Judge of the Superior Court of Ontario by notifying the Clerk of the *Town* in writing and by applying to the Superior Court of Ontario for an appointment within fourteen (14) days after the sending of a copy of the *Committee's* decision;
- (a) a Judge of the Superior Court of Ontario shall appoint, in writing, a time and place for the hearing of the appeal and may direct in the appointment the manner in which and upon whom the appointment is to be served.
 - (b) on the appeal, the Judge has the same powers and functions as the *Committee*.

- 50.5 An Order that is deemed to be confirmed under sections 50.1 or that is confirmed or modified by the *Committee* under section 50.3 or a Judge under section 50.4 as the case may be, shall be final and binding upon the *owner* and *occupant* who shall carry out the repair or demolition within the time and in the manner specified in the Order.

51 PROPERTY STANDARDS COMMITTEE

- 51.1 A *Committee* to be known as The Property Standards Committee of the Town of Milton is hereby continued.
- 51.2 The *Committee* shall consist of members of the Committee of Adjustment and Consent as appointed by Council from time to time. Any vacancy on the *Committee* shall be filled forthwith by Council.
- 51.3 The secretary shall keep on file, minutes and records of all applications and the decisions thereon and of all other official business of the *Committee*.
- 51.4 The *Committee* shall give notice or direct that notice be given of the hearing of an appeal to such *persons*, as the *Committee* considers advisable.

52 REGISTRATION OF ORDER

- 52.1 An Order may be registered on the property in the proper Land Registry Office and, upon such registration, any *person* acquiring any interest in the land subsequent to the registration of the Order, shall be deemed to have been served with the Order on the day on which the Order was served under section 49.1.
- 52.2 When the requirements of the Order have been satisfied, the Clerk of the municipality shall forthwith register in the proper Land Registry Office a certificate that such requirements have been satisfied which shall operate as a discharge of the Order.

53 EMERGENCY ORDER

- 53.1 Subject to the provisions relating to *Part IV* or *Part V Heritage Properties* contained in this By-law, if upon inspection of a property the *Officer* is satisfied that there is non-conformity with the *standards* in this by-law to such extent as to pose an immediate danger to the health or safety of any *person*, the *Officer* may make an order containing particulars of the non-conformity and requiring remedial repairs or clearing of all *buildings*, structures or *debris* from the site and leaving the site in a graded and leveled condition where the cost of doing such work does not exceed \$10,000.00, to be carried out immediately to terminate the danger.

- 53.2 The order shall be served on the *owner* of the property and such other *persons* affected thereby as the *Officer* determines and a copy may be posted on the property.
- 53.3 After making an order under section 53.1 the *Officer* may, either before or after the order is served, take any measures necessary to terminate the danger and, for this purpose, the Town may, through its employees and agents, at any time enter the property in respect of which the order was made without a warrant
- 53.4 Despite subsection 31 (2) of the Building Code Act the *Town* or a *person* acting on its behalf is not liable to compensate the *owner*, *occupant* or any other *person* by reason of anything done by or on behalf of the municipality in the reasonable exercise of its powers under section 53.3.
- 53.5 If the order was not served before measures were taken to terminate the danger, the *Officer* shall serve copies of the order in accordance with section 53.2 as soon as practicable after the measures have been taken, and each copy of the order shall have attached to it a statement by the *Officer* describing the measures taken by the Town and providing details of the amount expended in taking the measures.
- 53.6 If the order was served before the measures were taken, the *Officer* shall serve a copy of the statement mentioned in section 53.5 in accordance with section 53.2 as soon as practical after the measures have been taken.
- 53.7 As soon as practicable after the requirements of sections 53.5 and 53.6 have been complied with, the *Officer* shall apply to a judge of the Ontario Court (General Division) for an order confirming the order made under section 53.1 and the judge shall hold a hearing for that purpose.
- 53.8 The judge in disposing of an application under section 53.7 shall:
- (a) confirm, modify or rescind the order; and
 - (b) determine whether the amount spent on measures to terminate the danger may be recovered in whole, in part or not at all.
- 53.9 The disposition under section 53.8 is final.
- 53.10 The amount determined by the judge to be recoverable shall be a lien on the land and shall be deemed to be municipal real property taxes and may be added to the collector's roll and collected in the same manner and with the same priorities as municipal real property taxes.

54 POWER OF MUNICIPALITY TO REPAIR OR DEMOLISH

- 54.1 If the *owner* or *occupant* of a property fails to repair or to *demolish* the property in accordance with an order as confirmed or modified by the

Property Standards Committee or a Judge, the *Town*, in addition to all other remedies:

- (a) may repair or *demolish* the property;
- (b) may clear the site of all *buildings*, structures, *debris* or refuse and leave the site in a graded and leveled condition; or
- (c) may make the site safe or impede entry by erecting fences, barricades or barriers;
- (d) shall not be liable to compensate such *owners*, *occupants* or another *person* having interest in the property by reason of anything done by or on behalf of The Town of Milton in a reasonable exercise of its power under the provisions of this Part;
- (e) may cause a prosecution to be brought against any *person* who is in breach of such an order and upon conviction, such *person* shall forfeit and pay at the discretion of the convicting Provincial Judge or Justice of the Peace acting within his/her territorial jurisdiction, a penalty in accordance with the provision of Section 36 of the *Building Code Act*, S.O. 1992, c.32.
- (f) shall have a lien on the land for the amount spent on the repairs or demolition; and
- (g) the amount shall be deemed to be municipal real taxes and shall be added to the collector's roll and collected in the same manner and with the same priorities as municipal real property taxes.

54.2 No *building* or structure on a *Part IV* or a *Part V Heritage Property* may be altered, *demolished*, removed, cleared or relocated, except in accordance with the Ontario Heritage Act.

55 PROHIBITION

55.1 No *owner* or *occupant* of property shall use, occupy, allow, permit or acquiesce in the use or occupation of the property unless such property conforms to the *standards* prescribed in this by-law.

55.2 No *person*, being the *owner*, *tenant* or *occupant* of a property, shall fail to maintain the property in conformity with the *standards* required in this by-law.

55.3 The *owner* of any property which does not conform to the *standards* in this by-law shall repair and maintain the property to conform to the *standards* or shall clear the property of all buildings, structures, *debris* or refuse and shall leave the property in a graded leveled condition.

56 RESPONSIBILITIES & COMPLIANCE ORDERS

56.1 The *owner* or *occupant* of a property shall:

- (a) Comply with all *standards* prescribed in this by-law;

- (b) Comply with any final and binding order of the Property Standards Officer;
- (c) Produce documents or things requested by the inspector for inspection as relevant to the property or any part thereof, allow the removal of such documents or things for the purpose of making copies, provide information or assist in the collection of information from other *persons* concerning, a matter related to the property or part thereof, allow entry by the inspector or such *persons* as need to carry out an inspection or test or in aid thereof, permit examination, tests, sampling or photographs necessary for the purposes of an inspection or in aid thereof, and provide at their expense when requested, tests and samples as are specified in an order, all as may aid or assist in the carrying out of an inspection and determination of compliance with this by-law and the relevant portions of the Building Code Act.
- (d) Ensure, that in complying under this by-law, and in carrying out work required under an order or other obligation under the by-law, that the property and activities shall be kept and carried out in a condition and manner that avoids conditions dangerous to the *owner, occupants* or visitors to the property or which put at risk of injury or health such *persons* and giving adequate warning where such risks cannot be so avoided so as to allow such *person* to avoid the danger or risks.

57 CERTIFICATE OF COMPLIANCE

- 57.1 Every *owner* or other *persons* affected by an order may make an application to the *Officer* for a certificate of compliance by submitting a written request to the Town Clerk or an *Officer*.
- 57.2 Following an inspection confirming the *standards* established in the by-law have been met, the *owner* shall pay the applicable fee as outlined in the *town's* "User Fees By-law".
- 57.3 A certificate of compliance maybe requested for the following:
 - (a) Each *dwelling* unit which has had a Property Standard Order issued.
 - (b) Each *dwelling* unit which has had an Order issued and charges have been laid.
 - (c) For interior common area(s) which have had a Property Standards Order issued.
 - (d) For interior common area(s) which have had an Order issued and charges have been laid.
 - (e) For *accessory building(s)* or other structure(s) which have had a Property Standards Order issued.
 - (f) For *accessory building(s)* or other structure(s) which have had an Order issued and charges have been laid.

58 PENALTIES

- 58.1 Every *person* who fails to comply with an order issued under this by-law which is final and binding is guilty of an offence and upon conviction shall be liable to a fine of not more than \$50,000 for a first offence and to a fine of not more than \$100,000 for a subsequent offence.
- 58.2 If a corporation is convicted of the offence of failing to comply with an order issued under this by-law, the maximum penalty that may be imposed on the corporation is \$100,000 for a first offence and \$200,000 for any subsequent offence.
- 58.3 If a conviction is entered, in addition to any other remedy and to any penalty imposed by this By-law, the court in which the conviction is entered, and any court of competent jurisdiction thereafter, may make an order prohibiting the continuation or repetition of the offence by the *person* convicted.

59 VALIDITY

- 59.1 If a court of competent jurisdiction declares any provision or provisions of this By-law invalid, such provision or provisions are deemed to be severable and it is the intention of Council that the remainder of the By-law shall continue to be in force.
- 59.2 Where a provision of this By-law conflicts with the provision of another by-law, Act or regulation in force within the *Town*, the provision that establishes the higher *standard* to protect the health and safety of *persons* prevails.

60 TRANSITIONAL RULES

- 60.1 After the date of passing of this by-law, By-law 141-2001, as amended, applies only to properties in respect of which an order has been issued prior to the date of the passing of this by-law, and then only to such Properties until such time as the work required by such order has been completed or any enforcement proceedings in respect of such order, including repair and demolition by the *Town*, have been concluded.

61 REPEAL

- 61.1 Except for the purpose as set out in section 60.1 of this by-law, By-law 141-2001, as amended, and By-law No.102-2002, 42-2003, 43-2004 113-2006, 091-2008, 044-2009, 074-2009, 104-2009, 153-2009, 037-2010, 043-2011, 064-2012, 076-2012 and any other amending by-laws, are hereby repealed in their entirety.

62 ENACTMENT
